

NEC's K12 Star Student Program Makes the Grade for your School

NEC's Star Student program helps institutions such as yours acquire display products to engage audiences, share information and move students to new levels of discovery without straining budgets. Not only does NEC enable your school with the most advanced display technologies, but we do so with benefits worthy of gold star!

By enrolling in Star Student, you'll receive access to:

- ★ **K12 Education Pricing** – Take advantage of discounted K12 education pricing through your choice of reseller.
*On select NEC products only
- ★ **FREE Automatic Extended Warranties** – Extended warranties based on what model you purchased – No product registration required. Includes Projectors and Large Format Displays: refer to full list for specific extended warranties included.
- ★ **NEW** – most projector models now receive Instacare for the duration of the extended warranty!
- ★ **Referral Program** – Refer NEC to another school and get a 50" LCD display for your school and their school when they make their first purchase!

Star Student Program Rules

Star Student is valid for public or private, accredited, not-for-profit educational institutions involved in K-12 schools, home schools, Universities, Colleges, or administrative school districts in the US or Canada.

Education customers must enroll in Star Student to receive the following:

Effective January 15, 2014, as a Star Student member, the following products will be covered by additional warranties, when purchased after your registration date. For example, if you enroll on February 1, your NEC purchases from February 1, moving forward, will be covered by the NEC Star Student additional warranty, automatically.

Additional Warranty Coverage **Now included: Instacare for the full length of the extended warranty on most NEC projectors!**
